### Mission Statement

We the people of St. William Parish, accept as our mission: to love God with all our heart and mind, and our neighbor as ourselves. We seek to know our faith, to live our faith, and to authentically teach our faith by word and example. We carry out this mission by lovingly promoting the traditions and teachings of the Roman Catholic Church and through prayer, evangelization, and service to others; while always remembering that the primary mission of the Church is the salvation of souls.

**Out of consideration of our Lord's presence in the tabernacle and for those wishing to pray before or after Mass, please refrain from talking in the church worship space.**

“Although each of the faithful always has the right to receive Holy Communion on the tongue, at his choice, if any communicant should wish to receive the Sacrament in the hand, in areas where the Bishops’ Conference with the recognition of the Apostolic See has given permission, the sacred host is to be administered to him or her. However, special care should be taken to ensure that the host is consumed by the communicant in the presence of the minister, so that no one goes away carrying the Eucharistic species in his hand. If there is a risk of profanation, then Holy Communion should not be given in the hand to the faithful.”  
Redemptionis Sacramentum paragraph # 92 from the CONGREGATION FOR DIVINE WORSHIP AND THE DISCIPLINE OF THE SACRAMENT.

### Guidelines for Receiving the Eucharist

Catholics should make spiritual preparation before receiving Holy Communion. We do this by abstaining from food and drink (except water and medicine) for at least one hour before receiving Communion (see Can. 919: §1). Be aware that chewing gum breaks the Eucharistic fast. No one should ever attempt to receive Communion with chewing gum in their mouth. Also, a Catholic in a state of mortal sin should first make a sacramental confession before returning to the Eucharist.
